

As Part of our English work we are:

- Reading 'Man on the Moon' and using this to write non-fiction pieces such as recounts and instructions.
- Designing our own planet and alien and describing their qualities.
- Writing poems about stars and our senses.
- Continuing to work on our letter formation and joining our handwriting.
- Continuing to explore phase 5 and 6 phonics.

As Part of our Maths work we are:

- Learning about time.
- Exploring weight, length, height and capacity.
- Continuing to work on all four operations.
- Problem solving
- Exploring bar modelling.

Key Stage One - Sports Star

As part of our Computing work we are:

- Using iPads to improve our English and Maths skills.
- Exploring Microsoft Word.

As part of our PHSE work we are:

- Continuing to look at friendship.
- Learning about team work.
- Celebrating what makes us special.
Each child will receive a sunshine of complements from their class mates.

This term our theme is Sports Stars, our focus curriculum areas during the theme are English, Maths, Science and PHSE.

As part of our PE work we are:

- Continuing our work with Pace Setters on a Tuesday afternoon.
- Exploring balance and coordination.
- Practising a range of athletic skills.
- Preparing for sports day.
- Enjoying a range of sporting activities each Tuesday morning as well as our P.E sessions.

As part of our Science work we are:

- Naming the parts of the human body that I can see.
- Describing why exercise, a balanced diet and good hygiene are important for humans.
- Linking the correct part of the human body to each sense.
