We Believe in Learning, We Believe in Happiness.

@southfieldpri

Welcome to Term 6 – probably the busiest and most exciting Term of the Year!

As well as planning lots of fun learning for our theme of ‘Wonderful Water’, our teachers are already busy making plans for next year! We do now have our staffing organised for next academic year and now we are busy matching pupils into classes making sure that each class is a balanced and happy group of pupils.

You will receive a letter on Thursday 4th of July which will tell you all about the class and teaching structure for next year as well as notifying you of your child’s class and teachers from September. We are then having a ‘Move Up Friday’ the very next day – pupils will go to their usual class in the morning for registration and will then go to their new classes for the day. At the end of the day, pupils will attend assembly and then go back to their old classes so that you know where to find them but they can then take you to their new class to show you around and meet their new teacher.

Have a lovely weekend and I hope to see lots of you tomorrow walking with us (in Batman attire) in our Brackley Carnival procession.
