As you will know, we had a visit from Ofsted this week. As this inspection has come right at the end of the year, I am advised by the lead inspector that the report will not be available until the next academic year – September or later.

Thank you families who took time to meet with one of the inspection team and to fill in the Parent View questionnaire.

We are a reflective school and so we do like to take account of all views in our continual drive to make Southfield Primary Academy the very best school that it can be.

Have a lovely weekend, Ms Cartledge

We are moving with great speed towards the end of term – next week's newsletter will be the last of the academic year and will also be a bumper edition including home learning challenges for the summer.
